

"Declare His glory among the nations, His marvelous deeds among all peoples."

Psalm 96.3

Dear Faithful Prayer Warriors,

In just a few weeks we will leave for Kenya and Uganda for the longest time we will have been overseas since we began in 1989. We are working hard and long to finish all the work on materials here and to make all arrangements. Thank God for emails. This work would not be possible without the good communication we have had with the hard working pastor/coordinators in Kenya and Uganda. Thank you for praying. Dr. Charles Swindoll says, "Prayer is an investment. The time you dedicate to prayer isn't lost; it will return dividends far greater than what a few moments spent on a task ever could." God is answering your prayers. Here are some specific answers and some more requests.

ANSWERS TO PRAYERS

*God has drawn many of you to join in the effort to get Bibles and we thank Him for each of you. The eternal blessings are yours! We will show you pictures after we return. It is not too late to join us in this great need for Bibles for the poor and needy believers in Kenya and Uganda.

*Praise the Lord for provision for this mission work. We do not have all that is needed as we are writing this letter but we are trusting God to provide the remainder needed before we leave. We are teaching in 5 new areas and returning to 3 where we taught last year.

*Praise God for the many ties and scarves for the pastor's and their wives. You have responded so well and we know they will be greatly appreciated.

*Praise God for health and strength to be able to serve Him.

*We praise God for the many prayers that go before the Lord on behalf of us and MINTOR MINISTRY. Without prayer we could not begin to do this ministry.

REMEMBER WE ARE ALWAYS 8 HOURS AHEAD OF YOUR TIME

For example if you pray before you go to sleep at night we will be beginning our day

PRAYER REQUESTS SPECIFICALLY FOR THE BIBLE MINISTRY

On our last mission in Malawi and Mozambique we experienced a lot of spiritual warfare which was difficult and caused daily distractions. Most of these problems were around the ministry of purchasing and giving out Bibles so we decided to ask you to pray more specifically about this area.

*Pray for the purchasing of the Bibles after we get to Kenya and then to Uganda.

*Pray that we will be able to get the best Bibles for the best price. This is important especially for pastors to use in sermon preparation.

*Pray for the transport of these Bibles to the 8 different locations.

*Pray that we would get the Bibles specifically to those whom the Lord intends them to go to. Let us share from the testimony of Brother Yun in his biography, "The Heavenly Man", when he prayed for his Bible in China during the 1970's. "I cried like a hungry child to his heavenly Father, wanting to be filled with his Word. For the next one hundred days I prayed for a Bible, until I could bear it no more. My parents were sure I was losing my mind." God brought him a Bible at 4am one morning after his fervent prayers and this is what he said upon receiving his new Bible, "I clutched my new Bible to my heart and fell down on my knees outside the door. I thanked God again and again! I promised Jesus that from that moment on I would devour His Word like a hungry child." This same hunger is in many hearts today and they are praying for a Bible to love and cherish and devour. We are so blessed to be one of the channels God is using in this day to answer those prayers.

God is using you too as you have given to provide Bibles. We have no idea what it would be like not to have God's precious Word but the people to whom we go understand perfectly. They beg us to, "bring more Bibles".

Matthew 24:35 says, "Heaven and earth will pass away, but my Words will never pass away." When we invest in God's Holy Word and teach it in truth and spirit we are investing in eternity. God's Word changes lives! That is what this ministry is all about!

*Pray that the giving out of the Bibles will be done with wisdom and discernment so that it does not create any disunity among the believers.

*Claim I John 3:8b "The reason the Son of God appeared was to destroy the devil's work." Pray God's protection and direction over the Bible ministry.

SPECIAL PRAYER REQUESTS

We have just received an email from 2 committees who are requesting \$500 over the original budget— they are having an overwhelming response and are trying to accommodate 400 pastors and wives rather than the 300 they had planned for. This will mean more will be needed for materials, Bibles and some for places to stay and meals. We do not want to have to tell them to turn them away.

Pray for the International Sports Federation as they determine if they can pull together a team to work with the "Invisible Children " in Uganda as we work with pastors and pastors wives. it would be such a blessing for those children who have gone through so much. Please pray for God's timing.

June 17-19 Sun Worship. Finish Finances. Repack and prepare to fly back Mon. Tues. to the U. S.

PLEASE NOTE AND PRAY: The last day we are in a place Duane will pay all bills and finish all finances which is not as easy as it sounds. We require that all expenditures are validated with receipts (which is sometimes very difficult since they purchase a lot at outdoor markets where receipts are not given.) Pray that each coordinator will be diligent and faithful to do what we ask and on time.

We believe that the prayers for this work are the most vital aspect of it because without the working of God's Holy Spirit in the lives of the people, our efforts are in vain. Pray for our daily walk with Jesus and that we would depend upon Him continually. John 15:5

This past year we have had two very faithful prayer partners go to be with the Lord and we miss their prayers. They were both from First Baptist Church of Borger. They are Joe Boyett and Wanda Brain. Our prayers have been with both their families.

As we read back over this letter we are reminded that unless you are really about Kingdom business this would seem so ridiculous to you. Why would anyone care about praying through a schedule like this? The answer is, "The prayer of a righteous man is powerful and effective." James 5.16b

We are so grateful to each one for your prayers, financial support, providing Bibles to give, and for encouraging us as we obey God's call on our lives. We anticipate the next letter will bless you with the great and marvelous working of our Mighty God. To Him be the glory!
