## A MIGHTY BATTLE BEGINS FEB. 15, 2010

EPHESIANS 6:12 & 18 "FOR OUR STRUGGLE IS NOT AGAINST FLESH AND BLOOD, BUT AGAINST THE RULERS, AGAINST THE AUTHORITIES, AGAINST THE POWERS OF THIS DARK WORLD AND AGAINST THE SPIRITUAL FORCES OF EVIL IN THE HEAVENLY REALMS....

18 "AND PRAY IN THE SPIRIT ON ALL OCCASIONS WITH ALL KINDS OF PRAYERS AND REQUESTS."

Dear Praying Friends,

By the time you receive this letter it will be near our departure time for Kenya and Uganda. We have been working long hours and praying that the Lord would prepare us, the materials, and the people for what He wants to do on this mission. Since we wrote last, there has been an amazing outpouring of your love for the Lord. We have received over 300 pairs of glasses, Bible contributions have steadily grown, and we are nearing the amount we budgeted for this work. By the way, this mission will be the most extensive (12 Bible Seminars of 2 days each), the most intensive (scheduled two a week most weeks), the most expensive, and the most expansive (from the southeast corner of Kenya on the Indian Ocean to the northwestern area of Uganda){see the map on the next page}.

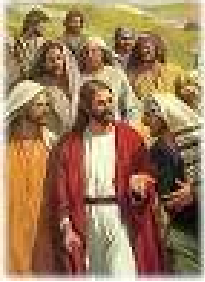

However, that is not the reason you must be more faithful in prayer. It is because the topics requested by the pastors that we teach reflect areas where Satan himself does so much of his destructive—dirty work. We will be revealing what the Bible says about such topics as; Marriage, Divorce, and Remarriage, Domestic Violence, Depression, Rejection, and Sexual Abuse to mention a few. As you know we are teaching mainly on the family and things that destroys the family. This is the fourth time to go back to some of these places and it has been a true blessing to see how God's Word has changed lives. Here is a recent email from one pastor in Kenya.

*"Thanks Rev. Duane, Deanna and all MINTOR blessers. MINTOR has given our Pastors stronger ministries thru, "God's Family Plan" teachings. Our African wives and children are now receiving their rightful place in the society and have become more confident than ever before. Ooh what a great Godly transformation. What if we had at least just one hundred Duanes and Deannas on the face of the earth, our family dignity and right standing with God would easily be won back to humanity and some of the problems dogging mankind would be minimized if not eradicated for the root cause of most the world's troubles can be traced down to the family inequalities and imbalances. God bless Duane and Deanna and all MINTOR Associates for you have helped thousands of families and saved ministries."* Bishop Wachira Karani, Kenya

Well! That is what it is all about—changed lives for Jesus. That is why there is so much opposition. That is why you must stand with us in prayer.

As Jesus was teaching a crowd one day, Luke records this in Luke 11:27-28, “As Jesus was saying these things, a woman in the crowd called out, “Blessed is the mother who gave you birth and nursed you.” He replied, “Blessed rather are those who hear the Word of God and obey it.” Our prayer is first that we would obey it ourselves and set an example and then that the people would hear and obey the Word of God. Satan tries so hard while we are teaching overseas to distract and prevent the Word from being taught and heard.

Here are a few specific prayer requests for the seminars that we will be teaching. Please pray them for all twelve seminars.

**Pray** that we will be filled and led by the Holy Spirit each time we stand to teach. Zechariah 4:6b ‘Not by might nor by power, but by my Spirit,’ says the Lord Almighty.”

**Pray** that we would have strength, energy and zeal when teaching the nearly 150 hours in these seminars. Colossians 1:29 “To this end I labor, struggling with all His energy, which so powerfully works in me.”

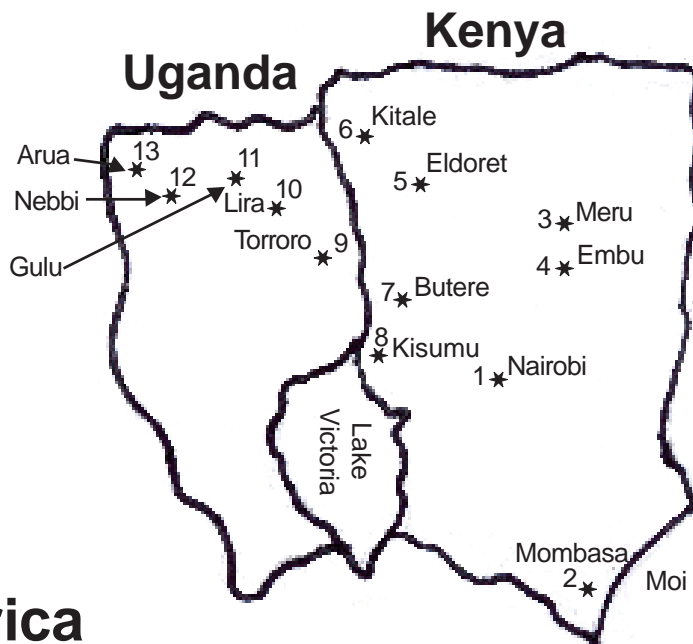

**Pray** that we would be protected from any germ or food that would make us sick unable to teach. Mark 16:18.

**Pray** for safety in travel. Psalm 91:9-11 “If you make the Most High your dwelling—even the Lord, who is my refuge—then no harm will befall you, no disaster will come near your tent. For He will command His angels concerning you to guard you in all your ways;”

**Pray** also for protection for our family and home back here in the U. S.

**Pray** for every pastor and pastor’s wife and leader attending that they would have spiritual ears to hear; be alert and attentive; that nothing would hinder their coming; that God would protect their relationship; that they would clearly understand each Biblical principle taught; that they would clearly understand how to apply the teaching to their own lives and obey it; that they would feel the need/desire to go back to their churches and teach their people; that the Bibles would be given out orderly; that the ones receiving reading glasses would be the ones God chooses.

**Pray** also for the logistical details like the computer-power point—loud speakers—electricity—interpreters.

We are so grateful to the Lord for how He is working and how He is using you to do His wonderful will in the remote areas of this world. As we think of you and thank God for your loving prayers and support, we are humbled that God would let a couple of humble “sheep feeders” like us represent Him to these precious believers.

“For you make me glad by your deeds, O Lord; I sing for joy at the works of your hands. How great are your works, O Lord, how profound your thoughts!” Psalm 92:4-5

Please also pray for our friends, Brad and Raji Bolton and their 3 sons as Brad starts further treatment by radiation this week in Houston.

Remember this as you pray against the enemy these next two months—

“This is the victory that has overcome the world, even our faith.” **PRAY WITH FAITH!**
