

*"This is the confidence we have in approaching God: that if we ask anything according to His will, He hears us. And if we know that He hears us—whatever we ask—we know that we have what we asked of Him."*

*I John 5. 14 & 15 NIV*

To Our Treasured Prayer Partners,

We trust that you had a good summer and are ready for some cooler weather and football! We have been busy working on preparations for El Salvador and reorganizing our MINTOR office files. We cannot express how valuable your prayers are to this ministry. Truly, prayer is the way God does His business on this earth. It is so exciting to experience His divine leading and intervention as we follow Him. The Advisory Board meeting in August went well and the ministry is moving forward. This is our tentative schedule for 2008:

**February—March** Malawi, Mozambique and S. Africa

**July—August** Kenya and Uganda

**October—China**

This will be a God sized task and we must begin preparation and provision for this now. In 1978 when the Lord called us into mission work we felt it would include China in some way. Now 30 years later God is sending us there. You will hear more about these missions later.

## EL SALVADOR, CENTRAL AMERICA

El Salvador is the smallest country in Central America just a little smaller than the state of Massachusetts.

That means we will be able to travel by vehicle from one area to another. It is a country of around 7 million people with 35% of them living below the poverty level. They are a progressive, hard working and, beautiful people.

While Catholicism is the major religion there are over 1 million protestant Christians in the country. We are looking forward to seeing and working with old friends.

It is a country that has been hit hard by hurricanes, wars, and earthquakes.

## SPECIAL REQUESTS

Ed Nerio

- ◆ Pray for Pastor Ed Nerio and his wife Marta who has been in the hospital recently. Ed is our main coordinator there.
- ◆ Pray for God to provide more funds for Bibles for the Christians in the outer areas where poverty is so bad.
- ◆ It will be at the end of their rainy season so please pray that the weather will not be a negative factor for the seminars (especially no tropical storms. We were there during hurricane Mitch, it can be bad.)
- ◆ The marriages in El Salvador are plagued by adultery so pray that God would use the teaching of His Word in this area. II Cor. 10.4-6
- ◆ Pray for the translation of the new materials that they would be true to the Word.
- ◆ Praise God that Duane's eye surgeries went so well. Thank God for a great doctor. He was such a blessing.

In closing we want to include a prayer that was emailed to us while we were in Uganda. It was such a blessing to us and we thought it would encourage you in your prayers too.

Father God, I come to You in Jesus Name and lift up your servants the Hunts. I pray Father that You fill them with the knowledge of Your will for each day as they travel and teach. I ask that You fill them with Your spiritual wisdom and understanding that they may bear fruit that will last and that will be pleasing to You. I pray Father that You surround their vehicles with angels that every time they travel on the roads they might be shielded from the craziness of the other drivers and from the harm that the enemy seeks to do against them. I pray Father that You give them refreshing rest when they sleep and that You renew their strength so they might mount up with wings as eagles. I pray and ask You for healing and health in their bodies. I pray that You guard them from any disease, infection, bacteria or parasite. I pray that You guard them from the teste fly and mosquito. Lord I thank you for them and for their steadfastness to serve You and to teach others.

I pray that Your Word Lord will go forth with power and that the truth will go deep into the hearts and minds of \_\_\_\_\_ that the nation might be a praise and honor to You and that men and women and children might be saved and grow in Your grace. Father I ask that you give the Hunts discernment to know who they can trust and who is just out for their own gain. Lord God give them wisdom and knowledge and protect them from harm. In Jesus Name. (Prayer by one of God's servants who has served on the field of missions)

God hears all your prayers, those from the youngest child to the eldest of prayer warriors. Gods work does not get done only by those who go but by a concert of those who are obedient whether it be by a simple prayer on the go or a \$1 given to help purchase a Bible or a person who gives scarves and ties for gifts, or someone who gives \$5 for one pastor per day to attend a seminar. It is miraculous how God puts it all together for His glory and praise. As the old hymn says, "We'll work till Jesus comes." Thank you for joining this mission. To God be the glory!
